

2. Diamond State CLT is a nonprofit corporation that provides affordable housing throughout the State of Delaware to households earning no more than 80 percent of the Area Median Income as calculated by the U.S Department of Housing and Urban Development (“HUD”). In or around 2007, Diamond State CLT began developing a project to build a subdivision of affordable housing in Sussex County. In the spring of 2010, Diamond State CLT submitted its final revised application and supporting materials seeking preliminary cluster subdivision plat approval from the Planning and Zoning Commission for New Horizons, a community of 50 affordable single-family homes in southwest Sussex County near the town of Laurel, Delaware. On July 14, 2010, the Commission voted to deny Diamond State CLT’s application, and the County Council affirmed that decision on October 19, 2010. The United States alleges that the defendants’ actions were taken because of the race, color, or national origin of the prospective residents of the affordable housing in the New Horizons development. It remains the intent of Diamond State CLT to develop New Horizons at the proposed location.

3. On November 29, 2010, Diamond State CLT filed a timely complaint with HUD pursuant to 42 U.S.C. § 3610 against the Sussex County Council and the Commission, alleging discrimination in housing on the bases of race, color, and national origin. Pursuant to the requirements of 42 U.S.C. § 3610, the Secretary of HUD determined that the complaint involved the legality of state or local zoning or other land use laws or ordinances. Accordingly, pursuant to 42 U.S.C. § 3610(g)(2)(C), on or about January 24, 2012, the Secretary referred this matter to the Attorney General for appropriate action.

4. The Defendants deny all allegations in the complaint and contend that all of their actions and decisions were based on legitimate and nondiscriminatory reasons. The performance

of any acts under this Consent Decree (hereinafter the "Decree") does not constitute any admission or finding of fault or liability whatsoever on the part of the Defendants. The United States and the defendants agree that the broad and equitable distribution of affordable housing promotes sustainable and integrated residential patterns, increases fair and equal access to economic, educational and other opportunities, and advances the health and welfare of the residents of Sussex County. The parties further agree that, in order to avoid protracted and costly litigation, this lawsuit should be resolved without a trial. Therefore, the parties consent to the entry of this Decree, as shown by the signatures of their representatives below.

5. This Decree is effective immediately upon its entry by the Court. For purposes of this Decree, the phrase "date of this Decree" shall refer to the date on which the Court adopts this Decree as an order of the Court.

6. For the purposes of this Decree, the terms "dwelling" and "person" have the meanings set out in the FHA, 42 U.S.C. § 3602(b) and (d).

7. For the purposes of this Decree, the term "Affordable Housing" means housing in which any portion thereof is designed or intended to serve households earning less than 80 percent of the Area Median Income as calculated by the U.S. Department of Housing and Urban Development.

**ACCORDINGLY, it is hereby ADJUDGED, ORDERED, and DECREED:**

#### **I. GENERAL INJUNCTION**

8. The defendants, their employees, elected or appointed officials, officers, agents, and all other persons or entities acting in concert or participation with them, are enjoined from:

a. Discriminating in the sale or rental of a dwelling or otherwise making unavailable or denying a dwelling to any person because of the race, color, or national origin of that person or of any person obtaining, residing in, or intending to reside in such dwelling or of any person associated with that buyer or renter;

b. Adopting, maintaining, enforcing or implementing any zoning or land-use laws, regulations, policies, procedures, or practices that discriminate on the basis of race, color, or national origin in violation of the FHA, or enforcing or implementing any neutral zoning or land-use laws, regulations, policies, procedures, or practices in a manner that discriminates on the basis of race, color, or national origin in violation of the FHA;

c. Coercing, intimidating, threatening, interfering with, or retaliating against any person in the exercise or enjoyment of, or on account of his or her having exercised or enjoyed, or on account of his or her having aided or encouraged any other person in the exercise or enjoyment of, any right granted or protected by the FHA; or

d. Interfering with the funding, development, or construction of any affordable housing because of the race, color, or national origin of its prospective residents.

## **II. DEVELOPMENT OF NEW HORIZONS BY DIAMOND STATE CLT**

9. The defendants, their employees, elected or appointed officials, officers, agents, and all other persons or entities acting in concert or participation with them, are enjoined from obstructing, delaying, or interfering with any affordable housing that is being developed and/or constructed or that is proposed to be developed and/or constructed in Sussex County by Diamond State CLT (including, but not limited to, the proposed cluster subdivision near Laurel, Delaware, to be known as New Horizons), or by any entities owned by or associated with Diamond State

CLT, without a substantial, material, and competent justification that is neutral on its face, consistent with applicable zoning and land-use laws, regulations, policies, and procedures, and based on standards that are universally applied throughout the County.

10. The Planning and Zoning Commission shall reconsider the application by Diamond State CLT for preliminary cluster subdivision plat approval for New Horizons in accordance with the following provisions:

a. Upon submission by Diamond State CLT of either (1) a revised application and supporting materials or (2) a written request for rehearing on the application and supporting materials originally considered by the Commission at a public hearing on June 10, 2010, the Commission shall schedule a hearing on the application at the next available date, and in no event later than 45 days after Diamond State CLT submits its revised application or written request for rehearing;

b. At this hearing, the Commission shall, at a minimum, review any proposed conditions on the approval of the preliminary subdivision plat submitted by Diamond State CLT;

c. Following the conclusion of the hearing, the Commission shall vote on the preliminary subdivision plat in accordance with applicable zoning and land-use laws, regulations, policies, and procedures. The Commission shall not deny approval for the preliminary subdivision plat, nor shall it impose any conditions on the approval that are materially different or additional to those proposed by Diamond State CLT, without a substantial, material, and competent justification that is: neutral on its face; consistent with existing zoning and land-use laws, regulations, policies, and procedures; based on standards that

are universally applied throughout the County; and documented in detailed written findings explaining the specific grounds for the action.

d. In its review of and decision on Diamond State CLT's preliminary subdivision plat application for New Horizons, the Commission shall consider only those factors set forth in Sussex County Subdivision and Zoning Codes, including specifically § 99-9(C) and shall specifically recognize the following:

i. Diamond State CLT is not proposing the New Horizons development under the County's Moderately Priced Housing Unit Program (Ch. 77 of the Sussex County Code), and thus the requirements or criteria applicable to development proposals brought under that program do not apply;

ii. Delaware State Strategies for Policies and Spending should not be used as a basis for denial if the project otherwise complies with the Sussex County Code, and in particular, the subdivision ordinance (Ch. 99 of the Sussex County Code);

iii. With regard to the application for New Horizons, proximity to public transportation cannot form a basis for denial of the application; and

iv. The Sussex County Zoning Code (Ch. 115 of the Sussex County Code) does not limit cluster subdivisions to Town Centers, Developing Areas, or Environmentally Sensitive Developing Areas as designated by the County's Comprehensive Plan; and

e. Within seven (7) days of acting on Diamond State CLT's application in accordance with this paragraph, the defendants shall issue a public notice of such action in *The*

*News Journal* and *The Sussex Countian* periodicals directing readers to the County's website (as referenced in paragraph 11(e) below) for more information.

11. The defendants shall work in full cooperation and good faith with Diamond State CLT to facilitate the funding, development, and construction processes for New Horizons. The defendants' good faith efforts shall include, but not be limited to, the following:

a. During the term of this Decree, the defendants, their employees, elected or appointed officials, officers, agents, and all other persons or entities acting in concert or participation with them shall not publicly disparage Diamond State CLT or the proposed New Horizons development or publicly question the viability of the community land trust model for affordable housing development;

b. The defendants shall, upon request by Diamond State CLT and in a timely manner, provide letters from the County to actual or potential funders or any other governmental entity indicating the County's support for the development of New Horizons. Any such letters shall, at a minimum, express support for the development of New Horizons; explain how New Horizons comports with the County's goal to "[f]acilitate decent, safe, and sanitary housing for low and moderate income people throughout Sussex County," as expressed in the Housing Element of the County's June 2008 Comprehensive Plan Update; and contain any specific information required from the County by the funder or governmental entity;

c. The defendants shall ensure that all zoning, land use, building, and any other type of approvals or permits required by the defendants are issued in a timely manner in order to allow development and construction to proceed. Nothing in this paragraph shall be construed to prevent the defendants from applying their zoning and land-use requirements in a

non-discriminatory manner or from ensuring that New Horizons complies with valid requirements of applicable law;

d. The defendants shall generally cooperate with Diamond State CLT throughout the remainder of the state and County-level planning and approval processes, and throughout the infrastructure development, building permit process, construction and sales phases of the New Horizons development; and

e. Within thirty (30) days after the approval of the final subdivision plat for New Horizons, the defendants shall list the New Horizons development as an affordable housing subdivision on the County's Community Development and Housing website, separate from information on the website regarding the County's Moderately Priced Housing Unit Program. The defendants shall include the name and location of the New Horizons development, the number and type of homes available in that development, the eligibility criteria for potential homebuyers, and contact information for Diamond State CLT. Defendants shall submit to the Department of Justice ("DOJ")<sup>1</sup> a printout of the Community Development and Housing website showing the information on New Horizons as described in this paragraph within ten (10) days of listing the New Horizons development on the website.

**III. ADDITIONAL PROVISIONS RELATED TO AFFORDABLE AND FAIR  
HOUSING**

12. During the term of this Decree, if the Planning and Zoning Commission declines, rejects, or denies any type of request or application for zoning or land use approval relating to an Affordable Housing proposal or a proposal processed under the Moderately Priced Housing Unit

---

<sup>1</sup> All submissions to DOJ required by the Consent Decree, including all those required by part VII, below, shall sent by overnight courier addressed to: Chief, Attn: DJ #175-15-46, Housing and Civil Enforcement Section, Civil Rights Division, United States Department of Justice, 1800 G Street NW, Washington, DC, 20006.

Program or the Sussex County Rental Program, or if the Sussex County Council affirms any such decision, then the entity so acting shall prepare detailed written findings explaining the specific grounds for its action. For purposes of this provision, the failure to act on a request within a reasonable time period shall be deemed a denial. A copy of any written findings shall be provided to the person or persons making the request or application within ten (10) days of the date on which the final decision was made.

13. For the duration of this Decree, the defendants shall undertake an Affordable and Fair Housing Marketing Plan to encourage the development of housing opportunities, including Affordable Housing and housing developed under the Moderately Priced Housing Unit Program and the Sussex County Rental Program, that are available and accessible to all residents of Sussex County regardless of race, color, or national origin. Within one hundred (100) days of the date of this Decree, the defendants shall submit to DOJ a proposed Affordable and Fair Housing Marketing Plan. DOJ shall review and approve or suggest changes to the Plan within thirty (30) days. Upon approval by DOJ, the defendants shall proceed to implement the Plan within five (5) days. The defendants shall include in the Affordable and Fair Housing Marketing Plan the following:

a. A description of the specific outreach and marketing activities the defendants will undertake, entities the defendants will contact, and materials the defendants will use to encourage housing developers to propose and construct affordable housing throughout Sussex County. Specifically, the parties agree that the defendants' activities under this subparagraph will include, but not be limited to, the following:

i. the County will encourage developers to affirmatively market their units to diverse populations by making it clear in the County's comments during the PLUS process on the development proposal that this is the County's policy;

ii. the County will develop standard language that will be incorporated into every residential development plan review subject to the PLUS process which sets forth the County's policy to affirmatively further fair housing by emphasizing the desire for the creation of racially/ethnically diverse, mixed-income communities and encouraging developers to affirmatively market their units to diverse populations;

iii. the County will propose an ordinance to modify its Moderately Priced Housing Unit ("MPHU") Program to apply to homebuyers earning 50% to 125% of the County's median income;

iv. the County will continue discussions with Diamond State CLT and other providers of low to moderate income housing to create additional incentives within the MPHU Program to entice developers to price some homes to be affordable to lower area median income families; and

v. the County will formulate a policy regarding Affordable Housing projects seeking support, including provisions through which an Affordable Housing project may obtain conditional support letters from the County commending Affordable Housing construction and/or may obtain waivers of certain fees relating to the planning approval process.

b. A description of the specific outreach and marketing activities the defendants will undertake, entities the defendants will contact, and materials the defendants will

use to advertise housing opportunities, including affordable housing, in Sussex County to all residents of the County regardless of race, color, or national origin;

c. A description of a webpage to be created by the County on its website addressing these topics, including the proposed content of the webpage; and

d. A timetable for implementation of each specific activity.

#### **IV. FAIR HOUSING COMPLIANCE OFFICER**

14. Within thirty (30) days after the entry of this Decree, the defendants shall designate an existing Sussex County employee as the Fair Housing Compliance Officer (“FHCO”). The FHCO shall have the responsibility to receive complaints of alleged discrimination in housing, zoning, and/or land use against Sussex County, serve as a resource to the defendants and their officers, elected and appointed officials, employees, and agents on fair housing, and coordinate the County’s compliance with this Decree.

15. The FHCO shall be designated to receive and review all complaints of housing discrimination made against the defendants or any officer, elected or appointed official, employee, or agent of the defendants. If complaints are made verbally, the FHCO shall make a contemporaneous written record of those complaints.

16. Within fifteen (15) days of receiving a complaint of housing discrimination made against the defendants or any officer, elected or appointed official, employee, or agent of the defendants, the FHCO shall provide HUD and DOJ with a copy of the complaint, any documents filed with the complaint, and any written response to the complaint by the defendants, and shall inform both HUD and DOJ whether the complaint has been resolved. If the complaint has not

been resolved, the FHCO shall inform HUD and DOJ of any efforts the defendants undertook or plan to undertake to resolve the complaint.

17. The FHCO shall maintain copies of this Decree, the Fair Housing Policy described in part V, below, and the HUD Complaint form and HUD pamphlet entitled “Are you a victim of housing discrimination?” (HUD official forms 903 and 903.1, respectively) and make these materials freely available to anyone, upon request, without charge, including all persons making fair housing complaints to the FHCO.

18. During the term of this Decree, the FHCO shall report to the County every six months on activities taken in compliance with this Decree.

The training(s) should be conducted in accordance with the following:

a. The training(s) shall be conducted by a qualified third part(y/ies), subject to the approval of the United States. #### **IX. JURISDICTION AND SCOPE OF DECREE**

32. The parties stipulate and the Court finds that the Court has personal jurisdiction over the defendants for purposes of this civil action, and subject matter jurisdiction over the United States' claims in this action pursuant to 28 U.S.C. §§ 1331 and 1345, and 42 U.S.C. §§ 3614(a) and 3614(b)(1).

33. This Decree shall remain in effect for a period of four (4) years after its entry. The Court shall retain jurisdiction over the action for the duration of the Decree for the purpose of enforcing its provisions and terms. The case shall be dismissed with prejudice when the Decree expires. The United States may move the Court to extend the duration of the Decree in the interests of justice.

34. Any time limits for performance imposed by this Decree may be extended by mutual written agreement of the parties. The other provisions of this Decree may be modified by written agreement of the parties or by motion to the Court. If the modification of a provision other than a time limit for performance is made by written agreement of the parties, then such

modification will be effective upon filing of the written agreement with the Court and remain in effect for the duration of the Decree or until such time as the Court indicates through written order that it has not approved the modification.

#### **X. ENFORCEMENT OF THIS DECREE**

35. The parties shall endeavor in good faith to resolve informally any differences regarding interpretation of and compliance with this Decree prior to bringing such matters to the Court for resolution. However, in the event of a failure by the defendants to perform in a timely manner any act required by this Decree, or otherwise to act in conformance with any provision thereof, the United States may move this Court to impose any remedy authorized by law or equity. Remedies include, but are not limited to, findings of contempt, an order requiring performance of such act or deeming such act to have been performed, and an award of any damages, costs, and reasonable attorneys' fees that may have been occasioned by the violation or failure to perform.

#### **XI. COSTS AND FEES**

36. The parties will bear their own costs and fees associated with this litigation.

#### **XII. TERMINATION OF LITIGATION HOLD**

37. The parties agree that, as of the date of the entry of this Consent Decree, litigation is not "reasonably foreseeable" concerning the matters described above. To the extent that either party previously implemented a litigation hold to preserve documents, electronically stored information (ESI), or things related to the matters described above, the party is no longer required to maintain such litigation hold. Nothing in this paragraph relieves either party of any other obligations imposed by this Consent Decree.
